(2) Area commanders will supply a copy of the "Police Gazette" to every recruiting officer in their areas. Arrangements have been made to supply area commanders with sufficient copies weekly.

(3) In every recruiting office there will be maintained a list of deserters and absentees who have next of kin residing in the neighbourhood, or who enlisted at that recruiting office. This list will be compiled from the "Police Gazette" and Army Form B 124 as received. It will be carefully kept up to date, and any names of men who are notified as having rejoined will be crossed off.

In the case of an absentee, he should be warned to rejoin his unit at once, a railway warrant being issued for the journey if necessary. The soldier should be seen off at the railway station, his commanding officer being informed, by telegram, of the action taken, and the train the man left by.

(5) Article 1268 of the Pay Warrant already provides for the rewards to be paid to any recruiter, soldier, or other person who causes a deserter or an absentee to be apprehended.

(6) Every effort should be made to obtain the assistance of recruiting committees for facilitating the detection and apprehension of deserters and absentees.

(7) Officers commanding will invariably inform those officers referred to in paragraph 1 of this Order when a deserter or an absentee rejoins.

A.O. 210. XIV.—Family allowance for soldiers living at their own homes in the United Kingdom.

1. It has been decided to introduce an allowance to be known as "family allowance", to be issued, under the circumstances and conditions described below, to married soldiers living with their families in the United Kingdom. The allowance will be issuable as from 3rd May, 1915, and will have effect for the period of the war only. When issuable, it takes the place of all other allowances (lodging, fuel and light, ration and separation allowance).

2. So long as the existing rates of the other allowances remain unaltered, the weekly rate of the family allowance will be as follows :—

(a) *When the soldier lives and messes at his own home.*

The soldier will draw the following consolidated family allowance in respect of himself and family :—

continued.

The soldier will himself be rationed in kind, or will draw the usual ration allowance (now 1s. 9d. a day), and in respect of his family he will draw family allowance at the rates shown for separation allowance (*without* allotment) in Table (a), published with Army Order 100 of 1915.

- (c) *When the soldier and his family are in public quarters.*

A family allowance will be issued in respect of any children of the soldier at the uniform rates of 5s. for the first child, 3s. 6d. for the second child, and 2s. for each additional child.

3. Family allowance will be subject to the conditions for the issue of separation allowance so far as these are applicable, *e.g.*, the allowance for children when they exceed the age of 16 will be admissible under the conditions prescribed in Army Order 100 of 1915. Similarly, the family allowance will be increased by the amount of the usual London allowance, when that is otherwise issuable.

4. Family allowance will be paid to the soldier himself, and will be payable on each weekly pay day in arrear.

5. It will be charged in the paymasters' accounts to Vote 7, A. 2. Charges on Army Form O 1762A will be dealt with as laid down in paragraph 5 of Army Order 437 of 1914.

6. The issue of family allowance will continue at the rates in paragraph 2 (b) above, when the soldier is admitted to hospital, and should be remitted to the wife by regimental arrangement with the usual allotment of pay appropriate to the soldier's rank. Such remittances will be charged against the soldier in the pay and mess book as a "casual payment".

7. Soldiers living with a dependant whose title to separation allowance has been admitted under paragraph 2 (b) of Army Order 440 of 1914 will be treated for allowances under paragraph 2 above.

8. Commanding officers will at once prepare rolls of all soldiers under their command who are entitled to family allowances under the foregoing instructions. The rolls will be in the following form :—

The Commanding Officer will complete columns 1 to 8 from particulars obtained from the soldiers. He will then forward the roll to the Paymaster or Secretary of the Territorial Force Association by whom separation allowance for the unit is payable. The Paymaster or Secretary will complete columns 9, 10 and 11. Where no issue is being made the word "nil" will be inserted in column 9. Care must be taken that no issue of separation allowance is made beyond the date shown in column 10.

9. The roll will then be returned to the Commanding Officer, who will complete columns 12 and 13, and will issue the family allowance weekly in arrear from the day following that on which separation allowance ceased, or from 3rd May, 1915, where no issue of separation allowance was being made. In making cash issues to the soldier due allowance will be made for any lodging, fuel and light, and ration allowances in respect of which cash issues may already have been made from 3rd May onwards. Cash advances of moderate amount may be made if necessary to tide over the period between the advance issues of separation allowance and the arrear issues of family allowance.

10. The rolls will be rendered to the Paymaster with the next pay and mess book, and he will be responsible for seeing that particulars of the family are verified with marriage and birth certificates in cases where this has not already been done, and for advising the Commanding Officer when any child attains the age of sixteen.

11. Supplementary rolls will be rendered for any men who become entitled to family allowance after the original rolls have been compiled.

12. In the case of soldiers who die while serving, family allowance, at the usual rates of separation allowance *with* allotment, will be continued for 26 weeks to the wife under the conditions for the continuance of separation allowance in Army Order 12 of 1915. In such cases the officer commanding will notify the paymaster of the last issues made, and the paymaster will then issue the allowance by means of a postal draft book in the usual way. In the case of soldiers of the Territorial Force the paymaster will request the secretary of the Territorial Force County Association to make the issue.

13. Further instructions will be issued as to the deductions to be made in respect of family allowance from the civil pay of civil servants and Government employees serving in the Army.

Army Orders.—June, 1915.

A.O. 210 14. Family allowance will not be issuable to soldiers
1915 for periods of civil employment under special Army
continued. Order IX. of 14th May, 1915.

15. This Order will not affect the issue of the consolidated allowance of 2s. in the case of widowers with children, or men with dependants drawing separation allowance under paragraph 2 (a) of Army Order 440 of 1914.

2418 **Victoria Cross.** — His Majesty the King has **A.O. 219.**
been graciously pleased to approve of the grant **1915.**
of the Victoria Cross to the undermentioned officers,
non-commissioned officer, and men, for their conspicuous
acts of bravery and devotion to duty whilst serving
with the Expeditionary Force :—

No. 8191, Corporal William Anderson, 2nd Bn.
Alexandra, Princess of Wales's Own (Yorkshire
Regiment).

For most conspicuous bravery at Neuve Chapelle on
12th March, 1915, when he led three men with bombs
against a large party of the enemy who had entered our
trenches, and by his prompt and determined action
saved, what might otherwise have become, a serious
situation.

Corporal Anderson first threw his own bombs, then
those in possession of his three men (who had been
wounded) amongst the Germans, after which he opened
rapid rifle fire upon them with great effect, notwith-
standing that he was at the time quite alone.

No. 10523, Private Edward Dwyer, 1st Bn. The
East Surrey Regiment.

For most conspicuous bravery and devotion to duty
at "Hill 60" on the 20th April, 1915. When his
trench was heavily attacked by German grenade
throwers he climbed on to the parapet, and, although
subjected to a hail of bombs at close quarters, succeeded
in dispersing the enemy by the effective use of his hand
grenades.

Private Dwyer displayed great gallantry earlier on
this day in leaving his trench, under heavy shell fire, to
bandage his wounded comrades.

Army Orders.—June, 1915.

continued.

For most conspicuous bravery near Messines on 12th April, 1915, when he rescued and carried successively to places of comparative safety, several men who had been buried in the debris of trenches wrecked by shell fire.

Private Morrow carried out this gallant work on his own initiative, and under very heavy fire from the enemy.

2nd Lieutenant William Barnard Rhodes-Moorhouse, Special Reserve, Royal Flying Corps.

For most conspicuous bravery on 26th April, 1915, in flying to Courtrai and dropping bombs on the railway line near that station. On starting the return journey he was mortally wounded, but succeeded in flying for 35 miles to his destination, at a very low altitude, and reported the successful accomplishment of his object. He has since died of his wounds.

2nd Lieutenant Geoffrey Harold Woolley, 9th (County of London) Bn. The London Regiment (Queen Victoria's Rifles) Territorial Force.

For most conspicuous bravery on "Hill 60" during the night of 20th-21st April, 1915.

Although the only officer on the hill at the time, and with very few men, he successfully resisted all attacks on his trench, and continued throwing bombs and encouraging his men till relieved. His trench during all this time was being heavily shelled and bombed and was subjected to heavy machine-gun fire by the enemy.

The foregoing appeared in the *London Gazette*, dated 22nd May, 1915.
